FOR UNSIGHTLY COMPLEXIONS USE RESINOL

Pimples and blackheads disappear, unsightly complexions become clear, clear, and velvety, and hair health and beauty are promoted by the regular use of Resinol Soap and an occasional application of Resinol Ointment. These soothing, healing preparations do their work easily, quickly and at little cost, when even the most expensive cosmetics and complicated beauty treatments fail. Resinol is not an experiment. It is a doctor's prescription which proved so wonderfully successful for skin troubles that it has been used by other doctors all over the country for nine years. No other treatment for the skin now before the public can show such a record of professional approval. Every drugstore sells Resinol Ointment (50c. and \$1.00), and Resinol Soap (25c.); but for trial size, free, write to Dept. KK, Resinol, Baltimore, Md. Avoid worthless substitutes offered by unscrupulous dealers.
